## Parish Council Precept 2019/20

The Precept is the way that the Parish Council raises money to cover their expenses for the year and is charged through the Council Tax System.

Mancetter Parish Council has always strived to keep the Parish precept as low as possible, whilst still providing a good service. Wherever possible we aim to award contracts to residents of the Parish, whilst adhering to the protocol which must be followed by Parish Councils.

We receive many favourable comments about our cemetery and continue to maintain this to a very high standard.

At the Parish Council meeting on 22nd January, after much discussion, it was unanimously agreed to increase the total precept to £29,254

This being an overall increase of £574.00

The annual increase on Council Tax bands is as follows:
