

# Save our “EARTH”

---

## Environment, Amenities, Recreation, Tourism and Heritage.

- Mancetter and Ridge Lane have a wealth of natural and historical features. Following our Parishioner Meeting on 23<sup>rd</sup> April 2024, this is another opportunity to put together a wish list for the restoration and improvement of facilities.
- Help Mancetter Parish Council provide feedback to shape our parish for the future, discuss concerns and find out what already happens in our village communities.
- **Please join us at our Informal Meeting for residents and community groups.**
